Customer Reviews

Another "author" makes bank by spending more time on title and cover, and next-to-none on book content. This padded clusterfunk of page breaks reads like a stretched out blog post. An easy summation of the book's tiny message:\$10 to rent your own books on K.U. MIGHT be cheaper than buying your own books from , IF you are already a prolific author.Other than that, it's just a drawn-out, ill-organized pile of fluff wrapped around what a Google search or two could easily show you. Don't waste your time.The last page should read: "HA-HA! Made you read! Thanks for the money, chump!"A better title would be, Why I Think You Should Maybe Subscribe To Unlimited As A Reader. Now with extra padding!
