# Just Horsing Around (A Paranormal Cozy Mystery) (Willow Bay Witches Book 3)

## Synopsis

When vet clinic owner and witch Angela Martin is called to the farm which houses one of the most famous former racehorses in the country, she's super excited. After all, it's not everyday you get to meet a horse of Seabiscuit-level fame. But when the horses' owner is killed only feet away from where Angela was working, that excitement quickly turns to horror. And worse - the patronizing police chief of the town next to Willow Bay thinks she's one of the prime suspects. Angela has to find the murderer fast, before she finds herself in jail. But she also has to contend with Sophie trying to discover if she has more magical powers, and a mysterious new businessman in town who seems to be interested in buying up large parts of downtown Willow Bay. Not to mention finding time for that promised date with Jason Black. Angela has a tough week in front of her. But she has no idea how dangerous it's about to get as she delves into the world of horse racing to try and find the killer. Just Horsing Around is the third book in the Willow Bay Witches series of paranormal cozy mysteries. It's a full-length novel full of funny and sarcastic best friends, a touch of magic, a snarky talking cat and a little bit of romance.

## Customer Reviews

Well, the author lost me in the first 20 pages when she claimed a racehorse won the Kentucky Derby four times. Anyone who knows anything about horse racing knows a horse only gets one chance at the Derby. Now if she had used one of the handicap races she might have pulled it off. The Derby is run once a year and only open to three year olds. Still the heroine seems likeable enough. But I've already spotted an error in Vet procedure too--a tick isn't removed by just pulling it out. You need to make it open its mouth or the head will stay in...

I love this series. It revolves around Angela, a vet that talks to animals, Charlotte, her brainy sister, Sophie, her best friend and the only none witch, and Bee, her cat bestie. This book was by far the best due to the fact that the characters are more developed and very witty. The spell Charlotte casts at the end was hilarious. I laughed out loud because it was super funny but fit the punishment to the crime. I highly recommend picking this book up to find out what makes this spell so charmingly purr-fect. The books could stand alone but read in order will make the transformation of character development much more pleasurable. Thanks Ms. Silver for the humor.

I love this series. Angela's conversations with Bee are so typical of a cat. Looking forward to Angela and Jason continuing their interaction. Anticipating the next adventure.

Fun to read, zooms right along. Likable characters, even the obnoxious cats. Good set up of the mystery, not hokey. Lots of typos.
