Cambridge University Library: The Great Collections

Synopsis

Cambridge University Library is one of the world's great research libraries. This book is a celebration of the treasures of the library by a group of eminent scholars. Chapters have been selected to illustrate the vast range of the library's collections from fourth century manuscripts to contemporary writers. Extensively illustrated with over two hundred photographs, many of them in color and published for the first time, this book offers a unique perspective on a remarkable institution.
