Product Dimensions: 11.1 x 0.5 x 8.6 inches

Shipping Weight: 1.1 pounds

Average Customer Review: 4.2 out of 5 stars [See all reviews](#) (4 customer reviews)

Best Sellers Rank: #1,886,582 in Books (See Top 100 in Books) #94 in [Books > Science Fiction & Fantasy > Gaming > Warhammer](#) #23463 in [Books > Children's Books > Science Fiction & Fantasy > Fantasy & Magic](#) #74710 in [Books > Science Fiction & Fantasy > Fantasy](#)

Customer Reviews

This is arguably one of the better WFRP written supplements. Like lots of of WFRP products the type fonts are bold and colorful with heraldry symbols and such woven around the border of each page. The concept behind Bretonia? Throw in the Arthurian Mythology but make it all about a twisted quest for something like the Holy Grail, and, oh yeah, there are all these problems happening in the petty kingdoms of Bretonia. Problems like the nobility trampling down upon the peasantry and other such non nobility, non human problems (i.e. Specially designed orcs, beasts, mutant types, etc), Fay stealing children, well, you get the idea. It seems to be a pretty place but look under the well swept rug and you find all these hideous bugs. The chapter sections of this well written book break as such: THE LAND AND ITS PEOPLE: There's some nice details about the geography including a well created map of the petty kingdoms within Bretonia. Then we get to meet the typical Bretonnians and discover that they tend to talk in future tense rather than present tense. It sounds weird, I know, but there are some examples of how it's done so that players can learn. Oh, and let's not forget the Truffle Hound and what it sometimes does to its keeper. Sorry. That part is censored. Heh. There are pages here and there about the food, clothing, architecture and social structure as well. When in doubt, think of it as an Anglo-French setting with much more of the

emphasis on the French side.HISTORY OF BRETONNIA: This is a nice section of before the Lady of the Lake arrived to help the lands get over their problems. Even after she came there were plenty of problems, especially battle after battle with details about notable historical figures.
