Customer Reviews

Kept me in suspense the whole time. One of the few books that I couldn't put down til finished. Loved the characters and vivid descriptions. The vernacular was delightful. Although the story let you know who was the murderer and why, I was kept guessing up until the somewhat surprising ending.

Superb murder mystery in wonderful, eerie Irish setting. Brassett is a very clever and original writer.

Really liked the story and it was written in a different way. Very enjoyable. Almost didn't want it to end. Only a couple of words repeated that would have been found if it was edited properly. Will read more.

I really enjoyed this novel. The characters were fully developed and, although you knew who the murderer was early on, the twists and turns of the full motive were gradually revealed. The ending was both predictable and surprising.

Brassett knows how to create a creepy vibe beginning to end. This story evokes the Irish countryside and the dark secrets it holds. You can almost smell the peat smoke.

I really enjoyed reading this book. The banter between the characters is sharp as a knife at times, as is the tension towards the end. A good easy to read suspense.

Not really a murder mystery, since you know who the murderer is from very early on. Actually, it's a serial killer. There is a huge twist at the very end that almost redeems the story. It is readable, but.....

I love how the author used different POVs in the book, while you know what is happening, it makes it more suspenseful somehow.
