Days Of Power, Part 1

Synopsis

From the world's greatest authority on the teachings of Kabbalah, the most comprehensive explanation of the holidays ever created... Rosh Hashanah. Yom Kippur. Pesach. Chanukah. Are these holidays familiar to you? They are to most of us. But what do they mean kabbalistically? Are they just times for remembrance and family gatherings, or is there more than meets the eye? Holidays are literally Days of Power. As Rav Berg teaches, there are certain moments in the course of the year when unique and transforming energies become available. By connecting to these energies, you can absolutely revolutionize your experience of life in the everyday world. You can bring an end to chaos in all its forms, including physical and emotional pain, illness and aging, and ultimately even death itself. Exactly what does it take to connect to the energy of the holidays? No one understands the answer to that question better than Kabbalist Rav Berg, who has devoted a lifetime to learning and living the wisdom of Kabbalah. In Days of Power, Rav Berg not only describes the timeless rituals and ceremonies associated with the holidays, he also explains their meaning with a depth, precision, and passion that no other authority has ever achieved. In these pages the holidays come alive, not just as commemorations of historic events, but as dynamic opportunities for change and growth. From this perspective, observing the holidays is not a religious obligation, but a choice you can make for the clear purpose of transforming your life. You, no matter who you are, can make that choice right now. This is totally unrelated to the religion in which you were raised, or the country where you were born, or any other comparatively superficial fact about you . . . The all-important first step is simply understanding that the opportunities described in this book are not just available to you, but divinely intended for you. The rest is between you and the Light.

Customer Reviews

The Days of Power provides explanations to different days of the year in which there is incredible energy available to everyone who know of the energy that they can draw from. It is a great book that I recommend to everyone who needs and wants additional help in their every day life.

Very comprehensive knowledge regarding the most important holidays! Definitely recommended! It goes deeply into how to tap to the energy of each holiday!

If you are interested in learning and practicing the deeper Kabbalistic tools behind the "holy days" this book is for you.

Brilliant service Will definitely re-order soon
